2019 *Beyond Realism*, The Front Gallery, Edmonton AB, Canada

THE FRONT GALLERY

David Hockney, OM CH RA British b. 1937 "My Yorkshire – Rain on the Studio Window"

Beyond Realism

Opening reception: Thursday, March 28th, 2019 - 7pm to 9pm

By opposing the imitation of reality while creating a new reality in its own right, artists offer new possibilities of vision by changing the way in which things are seen and known. The work in this exhibition invites the viewer to explore the trends and movements in art that are diverging and converging, crossing and overlapping, dismissing the notion that progress occurs only within paradigms and not between them.

Featuring work by David Hockney, Peter Blake, Edward Burtynsky, Sandro Chia, Antoni Tapies, Francesco Clemente, Andrew Salgado, Tony Scherman, David Bolduc, Blake Ward, Cynthia Fuhrer, Oksana Movchan, Craig Le Blanc, Dave Thomas, Ira Hoffecker, Jeff Sylvester, and Angele Karosi.
